continuing education credit

CME: Saturday morning three (3)
CME and CPE hours.

Saturday afternoon three (3) CME
and CPE hours.

CME: This activity has been planned
and implemented in accordance with
the Essential Areas and Policies of the
Accreditation Council for Continuing
Medical Education (ACCME) through
the joint sponsorship of the American
Psychoanalytic Association and the
Seattle Psychoanalytic Society and
Institute. The American Psychoanalytic
Association is accredited by the
ACCME to provide continuing medical
education for physicians and takes
responsibility for the content, quality,
and scientific integrity of this CME
activity. The American Psychoanalytic
Association designates this educational
activity for a maximum of four hours
in category 1 credit towards the AMA

Physician's Recognition Award. Each
physician should claim only those hours
of credit that he/she actually spent in
the educational activity.

CPE: This presentation also meets the
requirements of WA 308-122-520 (Defini-
tion of Category of Creditable CPE).

IMPORTANT DISCLOSURE
INFORMATION FOR ALL LEARNERS:
None of the planners and present-
ers of this CME program have any
relevant financial relationship to
disclose.

CE: This workshop has been approved
for 6 CE's (3) of which may be applied
toward ethics/law requirements by the
Washington State Society for Clinical
Social Work (WSSCSW) for licensed
social workers, licensed marriage and
family therapists, and licensed mental
health counselors.

about the presenter

Glen O. Gabbard, M.D., is Brown Foundation chair of psychoanalysis and professor of psychiatry at the Baylor College of Medicine in Houston, Texas. He is also a training and supervising analyst at the Houston-Galveston Psychoanalytic Institute. Prior to coming to Houston in 2001, he was at the Menninger Clinic in Topeka, Kansas, for 26 years, where he served as director of the Menninger Hospital and director of the Topeka Institute for Psychoanalysis.

Dr. Gabbard was joint editor-in-chief of the *International Journal of Psychoanalysis* from 2001–07. He also has served as associate editor of the *Journal of the American Psychoanalytic Association* and is on the editorial board of *Psychoanalytic Dialogues*. He has published over 300 scientific

papers and book chapters, and he is the author or editor of 23 books, including *Love and Hate in the Analytic Setting*, *Boundaries and Boundary Violations in Psychoanalysis*, *Long-Term Psychodynamic Psychotherapy: A Basic Text*, *Psychodynamic Psychiatry in Clinical Practice: Fourth Edition*, *The Psychology of The Sopranos*, and *Psychiatry in the Cinema*.

Dr. Gabbard has received numerous awards, including the 2000 Mary Sigourney Award of the American Psychoanalytic Association for outstanding contributions to psychoanalysis. His main interests are in psychoanalysis, psychodynamic therapy, professional boundary violations, personality disorders, and the application of psychoanalytic thinking to the cinema and television.

lead to treatment resistance.

- To outline the psychotherapeutic strategies for patient to present different problems based on personality disorders.

learning objectives

- To educate participants about management of extremely difficult patients in dynamic therapy and analysis.
- To illustrate how different types of character pathology

conference schedule

Saturday, September 26, 2009

8:30 – 9:00 a.m. ■ Registration

9:00 – 9:15 a.m. ■ Introduction

9:15 – 10:00 a.m. “The ‘Impossible’ Patient”

This opening lecture will discuss ways in which the term “impossible” is used. The use of the problematic term, “resistance,” is also explored. Reasons that patients want to thwart the therapy are elucidated.

10:00 – 10:30 a.m. ■ Discussion

10:30 – 10:45 a.m. ■ Coffee break

10:45 – 11:30 a.m. ■ “Managing the Erotized Transference”

In this part of the program, numerous case examples will be used involving erotized transference. Difference in gender constellation will be elucidated, and psychotherapeutic strategies for maintaining boundaries while avoiding shaming the patient will be discussed.

11:30 – noon ■ Discussion

Noon – 1:30 p.m. ■ Lunch

1:30 – 2:30 p.m. ■ “The Antisocial and Psychopathic Patient”

This lecture will focus on the necessity of distinguishing which patients with antisocial features are treatable and which are not. The common transference and countertransference problems in dealing with patients who have antisocial features will be described, and examples will be shown.

2:30 – 2:45 p.m. ■ Discussion

2:45 – 3:00 p.m. ■ Coffee Break

3:00 – 4:00 p.m. ■ “Mentalizing and Interpretation in the Dynamic Therapy of Borderline Personality Disorder”

This lecture focuses on the ways one must vary the therapeutic approach with patients who have borderline personality disorder according to their individual characteristics. Illustrations of using mentalization techniques vs. transference interpretation will be presented. Clinical examples will be shown.

4:00 – 4:30 p.m. ■ Discussion
